Meeting ID: 824 7506 8933

Passcode: 909659

PROGRAM

Bee & Queen Procurement Report - Gary Bible

Introduction: Jimmie Oakley

“Installing the 5-Frame Nuc”

Speaker: Dodie Stillman

“What to Expect When You are Inspecting”

Dodie Stillman is a member of the Williamson County Area Beekeepers Association (WCABA) and President of the Austin Area Beekeepers (AABA). She is a Master Beekeeper in the Texas Master Beekeepers Program and can be found most weekends teaching a beginner or intermediate level beekeeping class. She helps with the WCABA Scholarship Program too.

Dodie will use her knowledge as a Master Beekeeper and her experience as an instructor to guide you through that all important *first hive inspection*.

Jimmie Oakley is a member of WCABA, a former club President 1993-2000, Program Chair 2002-14, Queen Chair 1993-2019, Scholarship Chair 2006 to present, and serving as Newsletter Editor currently. In commercial beekeeping 1976 -1986, is still active as a sideline beekeeper, and manages Bost Apiaries Honey. Jimmie will be introducing the program by covering the basics of installing the 5-frame nuc for those who will be receiving bees at the club’s distribution at the Bost Farm in April.
